FYI

The various uses of all-purpose wipers depend on the ply number (the amount of reinforced material). 1-ply wipers, very soft and cloth-like, are often utilized for personal use, dusting, polishing and cleaning minor spills. 2-ply wipers are soft enough for glass cleaning and tough enough for general maintenance work. 4-ply wipers are extra-absorbent and tear resistant, which provides the advantages of rags and shop towels without the hassle of laundering and storing.

Georgia-Pacific Georgia-Pacific

A Brawny Industrial® Two-Ply Paper Utility Wipers

Provides strength and fast absorption. Ideal for cleaning glass, but tough enough for general maintenance work. White, 8 x 12.5 sheets. 100 wipers per box; 15 boxes per case (1,500 wipers).
GPC 298-11/03

Case 61.87

Brawny Industrial® DRC Wipers

Soft, cloth-like DRC fabric offers exceptional durability and absorbency. One-ply. White.

No.	Size	Case Qty.	Case
B Quarterfold —60 wipers per polywrap pack; 16 packs per case.
