A Prism™ Airlaid Wipers

Embossed, cloth-like wipers are thick, soft and highly absorbent. Ideal for oil, grease, ink and paint cleanup. 12 x 13¼ white quarterfold wipers. 50 wipers per pack; 16 packs per case (800 wipers).
HOS A306 **Case 60.80**

Prism™ Scrim Wipers

Four-ply for extra absorbency, plus nylon reinforcement to resist tearing. Handles tough cleanup jobs. Wipes streak-free on glass and smooth surfaces. Low linting.

No.	Case Qty.	Case
B Pop-Up Box —9.8 x 17 white sheets. 150 wipers per box; 6 boxes per case. HOS C2300	900 sheets	70.88
C Roll —Blue. 275 ft. per roll. HOS C2375B	6 rolls	90.36

Prism™ DRC Cellulose Industrial Wipers

For multipurpose industrial tasks. Cleans up water, grease or oil with ease. Durable, absorbent cloth-like texture. White.

No.	Size	Case Qty.	Case
D Quarterfold —50 wipers per polywrap; 20 packs per case. HOS D3050	12 x 15	1,000 sheets	122.92
E Center-Pull —One-at-a-time dispensing. 275 ft. per roll. HOS D7555P	9 x 13	2 rolls	46.02

Airlaid wipers are thick and soft, with a cloth-like feel. They can be rinsed and reused, and are an economical choice. Airlaid wipers absorb grease and oil. They are available in both economy and heavy-duty grades.

Scrim reinforced wipers are multi-ply for extra absorbency. They are reinforced for extra durability and tear resistance. Use for medium- to heavy-duty jobs. Scrim reinforced wipers do not streak; they are ideal for glass and smooth surface cleaning.

DRC cellulose wipers are the leading general-purpose wiping material. They are soft and cloth-like, yet are strong enough to resist solvents. DRC cellulose wipers are highly absorbent in water, grease and oil.
